## Introducing Atrium

It's all about **Sandgate as a destination**; a place for people to escape to & unwind. This is the influence behind the new, ultra hip boutique situated in the heart of Sandgate. Owner, Tahnee Crowther elaborates, "we wanted to create a peaceful, intimate space; a place that reflected the area & its history, and also allowed the imagination to wonder". **It's apparent this is a little store with some big ideas.**

When talking style, Tahnee beams, "...it's about expression. Some people express themselves gently and others are bolder. It doesn't matter what your style is, as long as it's you. That's why we keep pieces limited & for short periods. We like it to be personal".

**September/Atrium launches Insight** (menswear), **Tightology** (womenswear), **MiEssence** (body products) and **O'check** (stationery). We can also expect the store's own fair-trade label late 2012. **Workshops / The Body Session, The Colour Session**
