# ALDI HERE BY CHRISTMAS

The construction of the Sandgate Aldi is progressing nicely however due to a variety of reasons the opening date has now been pushed back.

An Aldi Australia spokesperson has told the Sandgate Guide "ALDI Australia can confirm that planned works are progressing on its new store in Sandgate. Our goal is to open pre-Christmas and we look forward to offering Sandgate community the opportunity to experience ALDI's shopping innovations and high quality exclusive brands at hard to beat prices in the lead up to the holiday period."

# BAY

# BISTRO & BAR

Ask Jimmy White why he likes being a Chef? He answers simply, "I just love cooking".

It was this response that led Kat Carson to engage Jimmy as Head Chef of her new venture, Bay Bistro & Bar on the Sandgate waterfront.

As Head Chef of the freshest dining scene in the Sandgate area, Jimmy brings his experience and talents to the local community.

It was Jimmy's passion for food combined with a love of the Bay area that made me realise that Jimmy was the perfect fit for Bay Bistro, Kat said. From the Moreton bay boat club to Danny's restaurant at Scarborough and including a stint at the famous Tetsuya in Sydney it was clear that Jimmy was bringing something special to Sandgate.

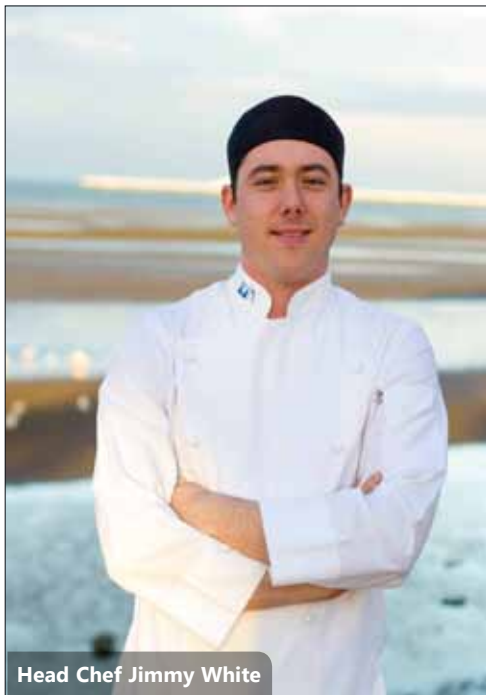

Opening in August, Bay Bistro and Bar will offer a total dining experience. If I had to choose words to describe Bay, Kat said, they would be Simple, Seasonal, and Sensational. Simple and seasonal foods done exceptionally well and of course a sensational location on Sandgate's waterfront.

All our food is made from scratch, sourcing as much local supply and produce as available. Our menu includes gluten free options, share platters, tapas and divine desserts all with a world flavour brought to the food by our kitchen team's travel and cooking experiences.

Kat had a vision of creating a unique social

hub in Sandgate through her Bay bistro. With style and design creation by Sydney designer Graham Harward, now based locally at Parry and Williams and creative collaborations with artist Kim Mancini featuring on the bistro's ever changing art wall and musician/guitarist Matthew Taudevin providing acoustic guitar and coordinating and sourcing other musical talent for the Bistro.

Bay Bistro & Bar is a collaboration of art, food, music and wine.

# PIER UPDATE

Recently Sandgate & District Historical Society & Museum committee members met for an informal meeting with the Brisbane City Council Communication Officer concerning the Sandgate Pier Renewal Project.

## **Some of the main points discussed were:**

1. Due to delays in finalising the design, the geotechnical works took a bit longer than planned as over water work is prone to problems.
2. There should be handouts ready by July/August and we will be having a day and display at the Museum on 25th August. Details to come later.
3. One of the first procurement items will be the 75mm timber decking, even though this will be one of the last things built. The early start is so that good quality, well-seasoned hardwood can be sourced and milled.
4. Good existing timber decking will be used to make seats, benches and suchlike.
5. Piles will be 9m apart, rather than the existing 6m, but will be of larger diameter so that the overall proportions will be the same. Fat piles at 6m spacing would look 'blocked up'.
6. They are looking at leaving a few of the existing piles in place to 'seed' the marine environment around the new piles. If this is not done, it could take 2 years for a marine ecosystem to re-establish. There will also be 'fish attractors' put in place to provide extra habitat close to the Pier so as to speed up the recolonisation process.
7. Lights will be of the same design, spacing, and colour of the existing ones.
8. There will be a fixed, rather than a floating platform, and sufficient steps to the water so that anyone going over can be extricated easily.
9. Timber railings will give the same look as before, but with unobtrusive safety features to stop children going through.
10. BCC will look into assisting the Society to publish "How Sandgate Got Its Pier", to supplement the free Community History handout booklet to be produced by the BCC.
11. Keep an eye on BCC Shorncliffe Pier Renewal Project website for updates.
12. Actual construction work is scheduled to start before the end of the 2013-14 financial year.

# KEEP FIT AT DECKER PARK

---

Councillor for Deagon Ward Victoria Newton said there are even more reasons for locals to get out and get fit with new fitness stations installed at Decker Park Brighton.

Costing \$50,000 (including installation), the three new stations will enable people to add to their workouts on the beachfront park.

"The local foreshore parklands are already very popular with people getting out walking, riding their bikes, rollerblading and scootering to get out and be active," Cr Newton said.

"And at times it can get pretty busy with so many people being out and about.

"With the great connection across the Ted Smout Bridge, it's a great way to get out and be active and enjoy the stunning views across the Bay.

"Decker Park already has some paths, a

half basketball court and other facilities - so I was pleased Council supported my recommendation to install the fitness equipment in the park.

"A couple of years ago I supported a petition which was signed by over 100 people who were calling for exercise equipment to be installed on the beachfront - and I'm pleased to help deliver this much-wanted improvement to the park."

Three fitness stations have been installed:

- Stretch Station/ Fitness Bench
- Air Walk/Exercise Bike
- Ab Bench/ Twist Trainer/ Chin Up

They are specially designed to tolerate the tough salty conditions on the beachfront.

"With the new equipment now available, locals can 'mix up' their workouts and enjoy new ways to keep fit," Cr Newton added.

# Calendar Girls

Based on a true story, eleven middle-aged English women pose nude for their annual Women's Institute calendar as a fund-raiser for the local hospital.

When Annie's husband John dies of leukaemia, she and best friend Chris resolve to raise money for a new settee in the local hospital waiting room. They manage to persuade four fellow Women's Institute members, Cora, Celia, Ruth and Jessie, to pose nude with them for an 'alternative' calendar, with a little help from hospital porter and amateur photographer, Lawrence. The news of the women's charitable venture spreads like wildfire, and hordes of press soon descend on the small village of Knapeley in the Yorkshire Dales. The calendar is a success, but Annie and Chris's friendship is put to the test under the strain of their new-found fame.

Calendar Girls is by Tim Firth and is directed by Christine Linning and Ruth Fielding-Barnsley.

# RENOVATION IDEAS

## Renovating with an app?

Yes, that is correct. There is an app for almost everything. Now renovating can be made easy with some very clever apps.

“Where is the sun?” A question often asked by home buyers when they enter a property. Don’t worry, there is an app for that. Graham Dawson is the creator of the Sun Seeker app. He created an app to help buyers and renovators work out exactly which rooms get sun and shade. This clever tool allows the renovator to plan a design in a way that will maximise natural light.

What about paint colour, or decorating or even which company should I use to renovate? These questions can all be answered via high-tech tools from your smart phone. Some clever apps listed on the Domain website include:

- Sun Seeker
- MagicPlan
- Home Design
- The Builder App
- Houzz Interior Design Ideas
- Dulux MyColour

The Builder App solves all your trades people issues. This app is so clever it gets the trades to call you.

*Home Design App – Source Domain.com.au*

The apps mentioned can add a bit of fun to your project, but remember these apps are for light hearted advice and do not replace the advice of a professional designer/ painter/ builder/ agent. So if you are planning a renovation or just want to know which room has the most light, check out some of the cool apps available online today.

## RENOVATE OR REDESIGN WITH B2F CONCEPTS

Carpenter Dan Degen is passionate about the local area he lives in which is why he helps homeowners and businesses make the most of their location with intuitive and original renovations and designs.

The B2F Concepts slogan 'from your back deck to your front door' evolved from helping people work through staged design implementations according to budget and developing a strong customer driven relationship. Dan explains, "it's the whole project as much as the finished product that can determine the success of the job".

One area which has seen a lot of growth is the use of shutters to both open up and protect homes from the coastal elements. "Making the most of the beautiful Sandgate environment but also protecting yourself from harsh wind, rain and salt can save costly maintenance" he said.

B2F Concepts work in partnership with you to outline the project requirements and then liaise with

external contractors on your behalf while keeping you at the helm.

Whether you want to start a dream project or just want some ideas from someone who is experienced in the building trade, you will notice the difference with the B2F process.

# Music By The Sea August Concert

As winter winds whip across the Bayside, vibrant Brisbane Quartet Saruzu's wild improvisations of gypsy jazz, rich harmonies of Argentine tango, and the fire and grace of flamenco offer a concert to come in from the cold for, at the beautifully restored, air-conditioned and licensed Sandgate Town Hall at 7.30pm on Saturday 3rd August, brought to you by Music By The Sea.

Saruzu serves a musical feast evocative of a 1920's Paris cafe scene filtered through an edgy and contemporary sensibility, creating a passionately blended course of performances from dancer and percussionist Simone Pope, Spanish guitarist Andrew Veivers, violinist Shenton Gregory, and Andrew Shaw on double bass.

Ms Pope brings extensive knowledge of Flamenco and Latin rhythms with expertise in the cajon (box), a contemporary Spanish percussive instrument, along with contemporary choreography.

Andrew Veivers is one of Australia's best known and accomplished Spanish guitarists, and a recent winner of the Queensland Recording Association Sunnie Award for Best Album (Folk, Ethnic and Other). FYI, a

Saruzu album track composed by Andrew also has just been announced Finalist in the Queensland Music Awards World Music Category

Think wild, beautiful improvisations and you have amazing violinist Shenton Gregory, Winner of the 2002 Adelaide fringe Festival Best Show Award for Composition and Performance.

In-demand double bassist Andrew Shaw is well known on the international circuit, having performed with many high profile artists.

Music By The Sea's 2013 Concert Series, renown for its banquet of world class performances continues its unique presence, and is enhanced by the opportunity to dine before the event at any one of a variety of local restaurants, away from the hustle and bustle of the city.

You'll also find parking's a breeze, if you'll excuse the pun.

Tickets are Adult \$30, Concession \$25, and Children 5 - 11 years are admitted FREE

## Mabel Ann Smith's 100th Birthday

On Tuesday 9th July, Mabel Smith's extended family came from Brisbane, the Sunshine Coast, Katherine, Cairns, Sydney and Canberra to celebrate the momentous occasion of her 100th Birthday.

The celebrations commenced at the Masonic Home in Sandgate for morning tea and a luncheon followed at the Seaview Hotel.

Mabel Ann Smith was born to George and Alice Cox on 9th July, 1913 in the village of Ollerton, Nottinghamshire, England on the edge of Sherwood Forest.

She was the only one in her immediate family to go on to higher education and received her teacher's certificate under the auspices of Oxford University in 1931.

She met her husband, Sid Smith, at a local dance when she was 15. Mabel and Sid married in 1935 and they had a wonderful life together until Sid passed away in 2001.

Mabel, Sid, their three children, Mabel's mother and sister, emigrated from England to Brisbane in 1949.

Mabel, who likes to be known as "Smithy", is now happily living in the caring environment of the Masonic Home at Sandgate. She still enjoys family visits, outings for lunch and sightseeing, knitting dolls, craft, reading, and crosswords.

Sunday, 8th September 10am-3pm, Sandgate State School transforms with a celebration of art, music, rides and fun, hosting the inaugural Carnivale.

The elevated school grounds overlooking picturesque Moreton Bay will showcase an art/craft exhibition and auction featuring donated works from numerous talented artists, with workshops provided by 'Raw Art', as well as QPAC employee Sally McRae. Enjoy an interactive performance with internationally acclaimed musician Sarah Hopkins, and hear the outstanding talent of young local group Folklore. With a variety of dance performances, martial arts display, Classic Cars, a Photobooth, and everybody's favourite clowns Peebo and Dagwood, this celebration has something for everyone, including traditional food stalls and the thrills of an all-day rides pass.

In celebration of its 140th anniversary the school include a choir competition hosted that morning by 4BH/4KQ presenter and school parent Jamie McDonald. The 'Choir Clash' is held amongst six local primary schools vying for their share of \$800 in prize money donated by Northgate Remembrance Lodge No. 285 and the United Grand Lodge of Queensland Board of Benevolence. The

Junior Choirs Competition starts at 9am and the Senior Competition at 10:30. With competing schools including Boondall, Sacred Heart, Sandgate, Shorncliffe, Nashville and St Kieran's, every local should make the time to come early to cheer on and support their favourite.

Sandgate State School P&C President Sophie Craker says, "It will be a wonderful chance for the school and the wider community to come together for a day of fun and creativity," with special mention and thanks to Cr. Victoria Newton for her generous financial support.

All funds raised at the Carnivale will be used to establish an art space for the school's 350 students; a secure, vibrant and welcoming area in which students will undertake curriculum-based art projects, featuring areas for display of completed pieces.

Sponsorship opportunities exist for this worthy and enterprising event for individuals and businesses wishing to support Sandgate State School's future 'Art Space'. For more information, please contact Carnivale Coordinator Lorraine Hockey via email on [lorandy@optusnet.com.au](mailto:lorandy@optusnet.com.au) or call 0431 235 745.

# WE GROW SOLUTIONS.

## 1. What is SEED?

SEED is a social enterprise, a business for the social purpose of creating employment for long term unemployed people facing social exclusion; those who are unable to secure or retain paid work, for example, people with mental illness, disabilities, older Australians, refugees. SEED creates employment by operating a Parks and Property Maintenance business focusing on three core areas; Commercial Landscape Maintenance, Residential Gardening, and Commercial Cleaning.

## 2. What makes you a social enterprise?

SEED can be defined as a social enterprise because it is a Not For Profit business operating as a program of SANDBAG Inc, a community organisation working from the Sandgate Community Centre. We are committed to utilising the strength of business models to create solutions to the problem of long term employment.

## 3. What are the positive changes amongst your individual staff? The team as a whole?

SEED has measured its social impact via a Social Return on Investment study which found for every \$1 invested in SEED, \$2.45 is created in social value, for example by savings on welfare spending. We have a very mixed workforce including highly skilled horticulturalists and landscapers who mentor and train our staff.

## 4. What's your message for Sandgate residents?

By engaging SEED to do your gardening or commercial cleaning work you help us create solutions to the problem of long term unemployment as well as receiving a great level of service.

## 5. How can customers contact or get a quote from SEED?

By contacting Steve Williams SEED manager 0422 718 850 or 3269 1952 or [steve@seedppm.com.au](mailto:steve@seedppm.com.au) also see: [www.seedppm.com.au](http://www.seedppm.com.au)

Call 3269 1952 www.seedppm.com.au". 3. "Australian Arbor Care" section with the tagline "Quality Tree Services" and text: "Qualified Arborist and competent tree climber for all types of trees and garden.
