# SANDGATE STATION UPGRADE

The QR project team has confirmed that the upgrade of the Sandgate Station is on track for completion in mid-2013. A temporary ticket office and toilet facilities are available at the entrance to the station while upgrade works progress on the station building.

The upgrade will include a refurbished station building, ticket office and toilets, additional platform waiting shelters, passenger information display screens, and lifts and stairs to both platforms from the new footbridge. Being one of the 15th busiest stations on the network, this upgrade is very much needed.

## 40KM SPEED LIMIT EXTENDED

The speed limit has now been lowered along Lagoon and Hancock Streets in Sandgate to 40kmh. This is in line with the previous changes to the speed limit along the main shopping strip on Brighton Road.

Deagon Ward Councillor Victoria Newton said "with the main shopping street in Brighton Road already lowered to 40kmh it made sense to make the whole shopping village a consistent speed. This makes it clearer for motorists getting around the streets in Sandgate shopping village area, and gives pedestrians more time to see vehicles approaching.

Additionally, a new pedestrian refuge is planned for Hancock Street at Lagoon Street and should be completed by end of June.

## ONE WAY ROAD TO BE REVERSED

The direction of the one-way roadway from Park Parade to Lower Moora Park will be reversed to allow safer drop-off for visitors to Lower Moora Park and the Shorncliffe Pier area.

Deagon Ward Councillor Victoria Newton said the change will enable mini-buses and coaches to use the drop-off area properly at Lower Moora Park.

"Feedback from coach operators was the current set-up wasn't working, as their passengers were getting out of the bus into the path of oncoming traffic," Cr Newton said.

# FASHION WITH A CAUSE

Mater Hospital raised funds for ovarian cancer research in style, with a night of bubbles and fashion at Sandgate clothing store Atrium. People were quick to get behind the cause, with the event selling out and business giving generously, including a \$350, Australian made outfit donated by Mesop.

The fashion was all about individual style. With some helpful tips from stylist/Atrium owner, Tahnee Crowther, locals created and modelled their own outfits using the stores latest collections. It was about getting in touch with your creativity and enjoying it. It was a huge hit.

"It feels good to bring people together for a bit of fun, and also contribute to a cause. Cancer touches so many; I think demonstrating community support is really important" (Tahnee Crowther).

For donations, please contact Jane Holmes on [holmesfour@bigpond.com](mailto:holmesfour@bigpond.com)

For more information on collaborations or up-coming events at Atrium, please email

# EINBUNPIN FESTIVAL 2013

Since 1992, the Einbunpin Festival has been a grass roots celebration of the Sandgate Community.

Held on the last Sunday of July, the Einbunpin Festival is a celebration of those things that make the Sandgate district special - strong sense of community, seaside village atmosphere, the local environment and heritage & history.

Einbunpin Festival Committee Chairperson & local Councillor Victoria Newton said the 2013 Festival is shaping up to be bigger and better.

"We've got loads of talented locals who'll fill the two stages with a great variety of live music.

"There's plenty to see and do with 175 stalls sites from our local groups and businesses.

"In the lead-up, we're looking for the colourful creative entries from local primary school students in the colouring in competition, and the art entries in the Magic Canvas Competition for the Bridge Gallery.

**Einbunpin Lagoon Parklands, From 9am-4pm on Sunday July 28.**

## Top Things to Do at the Einbunpin Festival:

- Enter the children's colouring-in competition
- Check out the great community spirit of the Sandgate district through the 175 stall sites
- Indulge in wonderful home-made goodies at the stalls
- Kids – make your own fish-boat for the annual races at the kid's art tent
- Join in the various workshops and activities around the Einbunpin Lagoon
- Have your photo taken with the mythical Bunpin and friends
- Discover our area's diverse talent at the two stages jam-packed with local musicians
- Enjoy some storytelling in the children's playground area
- Take a moment to enjoy the work our local artists with the Bridge Gallery
- See how far you can toss a mullet or fling a Flizard

# BETH'S SKIN CARE TIP FOR THIS MONTH

**A**lpha hydroxy acids (AHA's) is the name for the family of acids derived from fruits and other foods. The benefits of these active substances when used in skin care products can assist in the treatment of various skin conditions such as photo-damage, hyperpigmentation, acne, dry skin or even uneven skin tone and texture.

When applied topically in skincare products, AHA's dissolve and remove the natural glue which bonds the stratum corneum (dead surface skin cells) together. This process is known as chemical exfoliation. By penetrating the underlying living skin, AHA's work better to improve the overall appearance of your skin, as opposed to general cleansers and toners which simply sit on the surface. # DEAGON RACES RETURN PICNIC RACE DAY

Sandgate and Districts Chamber of Commerce are teaming up with Racing Queensland and the Brisbane Race Club to bring the Deagon Community Picnic Race Day to life on Sunday, September 15.

Racing Minister Steve Dickson said the local community had been a driving force behind the race day,

“The Picnic meeting will bring in racegoers from all over Brisbane and will have important flow-on effects for local community businesses, as well as helping our racing industry.

For the first time in 60 years, the Deagon Racecourse will host a public event so all those attending will be making history!

A closed meeting was conducted at Deagon on September 14, 2007 during the Equine Influenza crisis; however it is normally used as a thoroughbred training facility.

Arriving when the gates open at 10:30am will

allow you to check out all the great activities before the first of six races that begin at midday.

It doesn't matter if you are 8 or 80, you'll find something to take your fancy. Whether you are there for the races or just to spend time with your family there is a load to see and do.

Entertainment will include Fashions on the Field, music, a ladies', men's and children's foot race, wheelbarrow races and the opportunity for children to interact with some of the horses.

The day will be funded and organised by the Sandgate Chamber of Commerce, the Brisbane Racing Club Limited and Racing Queensland Limited.

Don't miss out on this event, and like the Facebook page to stay in the know:

# PROPERTY MARKET REVIEW

written by Chani Murtagh  
LREA, B.Behv Sc

— THE —  
**AGENTS**

Good news for the housing market, homebuyers and mortgage holders. Another rate cut was announced on the 7th of May bringing the official interest rate to a record low of 2.75 per cent. This cut should stimulate the property market, giving strength to the historically slower autumn and winter seasons.

House price growth may improve with the performance of local economies remaining the key to success. We have noticed the insufficient property on the market is starting to affect the supply and demand balance and tip it once again to favour the

seller. Enquiries have risen for the areas of Brighton, Sandgate, Shorncliffe and Deagon with more buyers seeking out suitable homes in these suburbs.

Although prices remain stable, this increase in buyer activity will aid in the lowering of days on the market statistics which are still higher than average.

***"ENQUIRIES HAVE  
RISEN FOR THE  
AREAS OF BRIGHTON,  
SANDGATE,  
SHORNCLIFFE AND....."***

The lowering of the interest rate has followed three months of rates staying steady with the last rate cut recorded in December of 0.25 per cent. Rising unemployment and the declining national income are the reasons cited by the Reserve Bank for adjusting the rate.

# MUSIC BY THE SEA

## JUNE

The Lipman Harp Duo presents the angelic sounds of two harps in the intimate atmosphere of the 100 year old, acoustically rich Sandgate Town Hall - on Saturday 1st June, starting at 7.30 pm.

Combining two harps is unique, and so is this husband and wife duo composed of Sebastian Lipman and Sayo Lipman, being the only such ensemble in Australia.

The maestros' have performed over 100 concerts in four years, including their first world tour of Tokyo, Paris, Cairo, Washington DC, Toronto, and Salt Lake City.

Sebastian was introduced to the harp when he was seven years old, while Sayo learnt the piano at two years old, and then the harp at nine.

Audiences are charmed by this divine union that embraces works from transcriptions and original pieces, and the very popular presentation of their rare and beautiful instruments.

Tickets can be purchased online at:  
[www.musicbythesea.com.au](http://www.musicbythesea.com.au)

## JULY

Music By The Sea would like to honour a very special Brisbane folk legend - Mark Cryle - with a FOLK NIGHT EXTRAVAGANZA on Saturday 6th July at the Sandgate Town Hall, starting at 7.30 pm.

Titled 'I've Got a Heart - A Retrospective of the Songs of Mark Cryle' showcases Mark onstage, joined by some of Brisbane's best Folk Artists.

"I look forward to this event with great anticipation, hearing my words and melodies delivered by such a range of magnificent voices, male and female, all of whom are an important part of musical history and community," Mark said.

Well known newspaper columnist and music critic Noel Mengel once said, "Mark Cryle is one of the best songwriters in Australia."

The line-up includes The Poachers, Sunas, Michael Fix, Nadia Sunde, Rebecca Wright, Helen McGreevy (Spot The Dog), Dan Grant and Richard Evans.

# VINTAGE YACHT REGATTA

During the Queen's Birthday weekend (8th to 10th June) the Queensland Cruising Yacht Club in Shorncliffe will once again host the Vintage Yacht Regatta. The Regatta, in its 38th year, is a highlight of the classic yachting sailing calendar and attracts a large fleet of beautifully turned out vessels from yesteryear.

A fleet of around 40 of South East Queensland's finest vintage yachts are expected at the event which is not just a "show and tell" event. According to Regatta Director Nigel Statham, "The five races, sailed off Shorncliffe Headland each day, really allow these graceful yachts to spread their canvas".

Two races are scheduled for both Saturday and Sunday with a mixture of courses being used. These four races will make up the core regatta. On Monday morning the event concludes with an optional pursuit race.

In addition to action on the water, most skippers are equally determined to win

the best presented trophies, such as the converted Albert Jeays Trophy.

The regatta is open to all boats designed or built 30 years ago and local residents are encourage to come down to the Club on Saturday afternoon, Sunday morning and Sunday afternoon to get a good look at the many spectacular crafts on display. There is no charge for entry and whilst you are at the Club, why not take the opportunity to visit the new restaurant and bar which has now reopened its doors following extensive renovations of the main part of the Clubhouse. The Club will be open for dinner on Friday, breakfast and dinner on Saturday and breakfast, lunch and dinner on Sunday. On Saturday evening, the Club hosts live entertainment to keep the crews and visitors entertained.

Yacht owners and spectators interested in the event can find full information at the Regatta's website <http://vintageregatta.qcyc.com.au>

# SUSPENDED COFFEE

and was obviously homeless comes in through the door and kindly asks "Do you have a suspended coffee?"

It's simple - people pay in advance for a coffee meant for someone who cannot afford a warm beverage.

**Cafes in the Sandgate / Brighton areas currently taking part in this initiative include:**

1. Cafe 353 - 12/353 Beaconsfield Tce, Brighton.
2. Mugshots Espresso - 107 Brighton Rd, Sandgate

## Could you warm somebody's heart with a suspended coffee?

The Story That Inspired The Global Suspended Coffees Initiative.

I enter a little coffeehouse with a friend of mine and gave our order. While we're approaching our table two people come in and go to the counter:

"Five coffees please. Two of them for us and three suspended" They pay for their order, take the two and leave.

I ask my friend: "What are those 'suspended' coffees?"

My friend: "Wait for it and you will see."

Some more people enter: Two girls ask for one coffee each, pay and go. The next order was for seven coffees and it was made by three lawyers - three for them and four 'suspended'. While I still wonder what's the deal with those 'suspended' coffees I enjoy the sunny weather and the beautiful view towards the square in front of the cafe.

Suddenly a man dressed in shabby clothes

# MAKING FORMAL DREAMS COME TRUE

The Formal Project is a Community run Non-for-profits Project helping provide local Year 12 students, who for whatever reason lack the financial resources, with their Formal attire - for Free!

Started almost 3 months ago by local Makeup Artist Simone Valentine, it has grown with the support of community members who have cleaned out their closets, collected donations & supported the cause wholeheartedly.

Students will be able to attend a pop up type store event with their family & choose their outfit just like anyone else would, and then have their hair & makeup done on the day to complete the Formal Experience they deserve!

We rely on donations, volunteers and sponsors to be able to make The Formal Project successful & dependable.

There is a lack of menswear at this stage so we desperately need donations so that the young men can be included. So think Suits, Dress Shirts, Ties, Shoes, Accessories – all sizes, colors and in great, clean, wearable condition. Also looking for a Storage Facility, Clothes Racks, Dry Cleaning for the Intricate Gowns, Cleaning products, New Makeup, Lint rollers, Second hand sewing machine & Mending items or someone willing to volunteer to help with mending & garment maintenance.

Also looking for tall director chairs, pop up change tents and either camping or card tables. You can also donate vouchers to help with these types of items.

If you would like to know more or donate check out our Facebook page:-

## ELECTRICIAN LIGHTS UP HIS SHOWROOM FOR THE LOCALS

Local Sandgate family and business owners Rob & Emily Vernon have lit up their bright green and black showroom for the locals.

Vernon says –“we wanted to create a place where the local home owners could come and see just how easy it is to save money on their electrical bills.

They can interact with products and see live demonstrations of cost savings available to them with new innovative products, such as LED lighting, live solar power, ceiling fans, air conditioning and energy monitoring”.

The Vernons are a family of four, who also know the increasing pressure electricity costs are placing on the family. With winter coming, the cost to heat the home will only get worse.

The Vernons have implemented a raft of cost cutting exercises in their own home and the money they save on power bills pays for special family outings, much more exciting than handing it over to the power companies.

Safe & Sure will be opening their showroom to the public, Friday 31st May from 4pm.

Located at 66 Brighton Tce, Sandgate.

Everyone’s welcome to pop by for a drink and nibbles. You never know, you may even be able to nibble a few dollars off your energy bill.

# HAPPY 90TH DORIS MCKEERING

Sandgate RSL was the venue for the 90th birthday celebration of Sandgate resident, Doris McKeering, where she was surrounded by family, relatives & friends.

Doris Ruth Muller was born at her parents' home in Zillmere, 10 May 1923. She was the third of six daughters to Walter & Mary Muller. Walter & brother Norman had 2 butchers shops, one next to the old Sandgate Woolworths & the other, now a hairdressers in Brighton Road.

Doris attended Sandgate State School & along with her sisters often hitched a ride in their fathers Butchers wagon or walked from Zillmere now known as Taigum.

Her father passed away in 1938 having been ill for some time.

Doris started work at the Ritz Cafe Restaurant in Sandgate. Her work day started early & finished with enough time to cycle back home to Taigum before dark. For her effort she was paid the tidy sum of 5 shillings (50cents) per week.

During WW2, Mary Muller took her 6 girls by train to Ravenshoe Nth Qld where they worked on a dairy farm owned by former Sandgate residents, Arthur & Jim McKeering. Their young brother Neal often spent his holidays at the farm and formed a friendship with Doris. Her elder sister Ethel later married Jim.

Mary moved south to Wutul near Cooyar with her girls where they lived at the Thornville Hotel which was owned by Mary's parents, Otto & Maria Briskey. Doris stayed with her Uncle Walter & Auntie Elsie Briskey also at Wutul.

Neal & Doris became engaged and were married in the Sacred Heart Church in April 1943. They had 5 children Patricia, Margaret, Valerie, Brenda & Kevin.

In 1952 Neal drew a grazing property in a land ballot. It was 150kms west of Mackay & roughly halfway between Collinsville & Nebo & was named "Eastern Creek".

Doris was the cook, housewife, school teacher, the children's education being by correspondence, and any other job that came along. They spent 6 very hard years working the property for the little reward as the countryside was very poor. It is now an open cut coalmine.

The family came back to Sandgate in 1958 where Doris's present home was purchased. Neal & Doris returned to work & raising a family in suburbia. Daughter Valerie died in 1981. Doris was widowed in 1993, survived a fight with cancer & has almost lost her sight. She walks to the hairdresser Saturday mornings & occasionally the shops.

She is one tough cookie, fiercely independent and generous to a fault.

Nana McKeering has 12 grandchildren, 12 great-grandchildren & 3 great great-grandchildren & never misses a birthday... But this one is for Doris.
